

Tier Details

See below the Approved Installer Programme Tier information sheet.

Full financial rebate details are contained on the sheet.

1. Application Form completion confirms Associate status
2. You will receive details of the charter, the job sign off policy and much more information when you register on the AIP site.
3. When registration is complete and you have passed the training module you will move to Bronze status and be ready to receive leads, as they arrive, job sign off evidence to be entered into the App.
4. After the training day and reaching 6 installation sign offs you will reach Silver status - AIP Silver accreditation.
5. Certificates will be emailed out for each level
6. Gold status achieved after 11 successful sign offs (reminder that SuperFOIL installations with leads generated by yourself count towards the totals as long as the sign off procedure is adhered to)
7. Rebate figures will be passed quarterly by the SuperFOIL team.
